Important Notice To Policyholders

**THIS IMPORTANT NOTICE PROVIDES INFORMATION CONCERNING
YOUR PREMIUM BILL**

PLEASE READ THIS NOTICE CAREFULLY

***Certificate And
Handling Fees***

This Notice is intended to inform you that your Premium Bill may include a separate charge called Certificate And Handling Fees, which are applicable to the cost we have incurred to issue an inspection certificate indicating that your pressure vessel, machinery or equipment meets code requirements as adopted by the applicable jurisdiction. Such charge is based on the number of pressure vessels, machinery or equipment that need to be inspected and the frequency of such inspections and is applicable to inspections performed during the prior policy period.

IMPORTANT NOTICE TO POLICYHOLDERS

TERRORISM RISK INSURANCE ACT

This Important Notice is being provided with your policy to further satisfy the disclosure requirements of the Terrorism Risk Insurance Act.

At the time you received the written offer for this policy, we provided you with an Important Notice to Policyholders indicating that the insurance provided in your policy for losses caused by certain acts of terrorism would be partially reimbursed by the United States of America, pursuant to the formula set forth in the Terrorism Risk Insurance Act. Terrorism is defined as any act certified by the Secretary of Treasury in consultation with the Secretary of Homeland Security and the Attorney General of the United States, to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property or infrastructure; to have resulted in damage within the United States, outside the United States in the case of an air carrier or vessel or the premises of a United States Mission; and to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion. In addition, as required by the Terrorism Risk Insurance Act, we:

- indicated that we would make available insurance for such losses in the same manner as we provide insurance for other types of losses;
- specified the premium we would charge, if any, for providing such insurance; and
- except to the extent prohibited by law, gave you the opportunity to reject such insurance and have a terrorism exclusion, included in your policy.

This Policyholder Notice refers back to the Important Notice attached to the quote that was provided to you at the time you received the written offer for this policy, and provides information about your decision and the manner in which your policy has been subsequently modified.

If:

- You rejected terrorism insurance under the Terrorism Risk Insurance Act, your policy includes the appropriate amendatory endorsement(s).
- You did not reject terrorism insurance under the Terrorism Risk Insurance Act, the premium charged for your policy, including that portion applicable to terrorism insurance under the Terrorism Risk Insurance Act, is shown in your policy.

Please carefully review your policy and the Important Notice previously provided to you for further details. Please remember that only the terms of your policy establish the scope of your insurance protection.

Please note that if your policy is a workers compensation policy, rejection of insurance for terrorism is legally prohibited.

You should know that the insurance provided by your policy for losses caused by acts of terrorism is partially reimbursed by the United States of America under the formula set forth in the Act. Under the formula, the United States Government generally reimburses 85% through 2015; 84% beginning on January 1, 2016; 83% beginning on January 1, 2017; 82% beginning on January 1, 2018; 81% beginning on January 1, 2019 and 80% beginning on January 1, 2020, of covered terrorism losses exceeding the statutorily established deductible paid by the insurance company providing the coverage.

If aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion in a calendar year, the Treasury shall not make any payment for any portion of the amount of such losses that exceeds \$100 billion.

If aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion in a calendar year and we have met our insurer deductible under the Terrorism Risk Insurance Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

Loss Payment Basis

Subject to the applicable Limit Of Insurance shown in the Declarations:

A. **covered property** is valued on a replacement cost basis as described below, unless:

2. otherwise stated under Loss Payment Basis Exceptions; and

B. valuation also includes costs you incur as described below under Brands And Labels, Construction Fees, Green Standards, Ordinance Or Law, Extended Warranties and Safety Enhancements.

Replacement Cost Basis

Damaged **covered property** will be valued at the lesser of the following:

- the amount you actually spend to repair or replace the damaged **covered property**;
- the cost at the time of the **breakdown** to repair or replace the damaged **covered property** with property of like kind, capacity, size and quality; or

- replacement cost at the time of loss or damage; or
- actual costs you incur to repair or replace.

Payment under Replacement Cost Basis will not be made until the completion of the repairs or the replacement of the **covered property**.

Loss Payment Basis

- physical depreciation;
- obsolescence; and
- depletion.

Brands And Labels

Personal property valuation includes the cost of:

- replacing labels, capsules, wrappers or containers from damaged **personal property**; or

In the event of damage to **stock**, you have two options when:

- you do not want to sell your damaged **stock** under your brand or label; or
- the owner of any damaged **stock** in your care, custody or control does not want to sell that damaged **stock** under the owner's brand or label,

even though the damaged **stock** has salvage value, you may:

- remove the brand or label and then relabel the damaged **stock** to comply with the law; or
- label the damaged **stock** as "salvage" but, in doing so, cause no further damage to the **stock**.

In either case, the **personal property** valuation will include the difference between:

- the salvage value of the damaged **stock** with the brand or label attached; and
- the salvage value of the damaged **stock** with the brand or label removed.

If a maximum value for brands and labels is shown in the Declarations, then, subject to the applicable Limits Of Insurance shown in the Declarations, such maximum value is the most we will consider under Brands And Labels Loss Payment Basis.

When direct physical damage is caused by or results from both:

- a **breakdown**; and
- an excluded peril,

the valuation will not include the **green standards** costs attributable to the excluded peril. Instead, the valuation will be based on that portion of such costs equal to the proportion that the covered direct physical damage bears to the total direct physical damage, not including **green standards** costs, unless the **green standards** apply solely to that portion of the **covered property** which suffered the covered direct physical damage.

The Loss Payment Basis does not include any increase in costs, loss or damage:

- to clean up or remove **pollutants** from land, water or air, either inside or outside of a **building**;
- to clean up, remove, restore or replace **covered property** because of the presence of **fungus**, either inside or outside of a **building**;

*Ordinance Or Law
(continued)*

- b. for paved or concrete surfaces, retaining walls, foundations or supports below the surface of the lowest floor or basement;
- c. incurred outside the legal property boundary of any premises shown in the Declarations;
- d. if **covered property** is valued on an actual cash value basis; or
- e. attributable to any ordinance or law that you were required to, but failed to, comply with before the physical damage; or

- B. do not repair or replace the **covered property**, the valuation will include the:
- 1. actual cash value of the damaged and undamaged portions of the **covered property**; and
 - 2. cost to demolish and clear the site of the undamaged portion of the **covered property**.

When direct physical damage is caused by or results from both:

- a **breakdown**; and
- an excluded peril,

the valuation will not include the Ordinance Or Law costs attributable to the excluded peril. Instead, the valuation will be based on that portion of such costs equal to the proportion that the covered direct physical damage bears to the total direct physical damage, not including Ordinance Or Law costs, unless the Ordinance Or Law applies solely to that portion of the **covered property** which suffered the covered direct physical damage.

If a maximum value for ordinance or law is shown in the Declarations, then, subject to the applicable Limits Of Insurance shown in the Declarations, such maximum value is the most we will consider under Ordinance Or Law Loss Payment Basis.

Extended Warranties

Personal property valuation includes the pro rata portion of the original cost based on the period of time remaining in your nonrefundable extended warranties, maintenance contracts or service contracts that you purchased and which are no longer valid on damaged **personal property** that you repair or replace.

Safety Enhancements

If you elect or we require that the repair or replacement of damaged **mechanical or electrical system or apparatus** be done in a manner that:

- improves the health and safety of workers or the public; or

while maintaining the existing function, then the valuation will include an additional 25% of the property damage amount otherwise recoverable for the **mechanical or electrical system or apparatus**.

***Application Of
Other Exclusions***

The terms and limitations of any terrorism exclusion or sublimit, or the inapplicability or omission of a terrorism exclusion or sublimit, do not serve to create coverage for any loss which would otherwise be excluded or sublimited under this policy, such as losses excluded by the Nuclear Hazard exclusion or the War And Military Action exclusion.

A new section titled Terrorism Definitions is added.
